**A Message from the Priest-not-in-Charge  
and the Church Wardens of St George's Pontesbury.**

Dear Fellow Worshipper,

The Church Wardens are being swamped by information following the Coronavirus outbreak. The main thing is that we try to keep ourselves safe. Please forward this message on to anyone you feel would like it. It is better that people receive it more than once than not at all. Five important things about Sunday Worship:

- St George's is closed for corporate worship but is open throughout the week for personal prayer.
- The Retired Clergy (myself, Shirley, Pam and Charmian) will be celebrating Holy Communion in our homes on Sundays and Feast Days on behalf of the whole parish.
- You might like to visit our excellent Website which is managed by Richard Elliott: [www.st-george.org.uk](http://www.st-george.org.uk). There you will find the Bulletin with Sunday's readings and reflections on those readings by me. Richard has also put links to other material that may be useful.
- The Diocese of Hereford is live streaming Sunday Worship from Leominster Priory. Their service is usually at 10am but it can be downloaded afterwards as well. The link is: <https://www.leominsterpriory>.
- The Church of England is live streaming the Archbishop of Canterbury's service on local radio at 8am on Sunday but I have been unable to establish whether Radio Shropshire is doing so or not.

With best wishes and prayers,

*Christopher Cooke, Mary Worrall and Allen Marsden.*
